

EMMA Minimalistic kitchen

EMMA is a simple and elegant kitchen, reduced to the essentials, with just an integrated sink and cooktop. This minimalist kitchen, with the matching table MARTA as the perfect accompaniment, would also be perfect in an office setting.

EMMA Minimalistic kitchen

EMMA can be extended with the modular DANIEL sideboard, which fits under the kitchen perfectly and provides storage space for all kitchen equipment. Seating options HILDE, HUGO and HENRIK, as well as the MARTA table, are all in the same design family and provide additional flexible additions to the kitchen and dining area.

Our furniture is made from birch plywood panels. This solid panel material is of a premium quality and a great alternative to chipboard or MDF (fibreboard). It is a long-lasting and is therefore robust enough to withstand the high demands of day-to-day use. Its high solidity ensures that the furniture retains its stability and functionality for years to come.

Produced in Welsberg, South Tyrol.
