

MARTA

Minimalistic table

Reduced to the essentials: MARTA is a simple, sturdy wooden table, which can be used as a classic kitchen or dining table, but also as a desk due to its simple design.

MARTA Minimalistic table

MARTA is perfectly complemented by HUGO, HENRIK and HILDE, our practical seating options, and EMMA, our minimalistic kitchen, as they are all in the same design family. MARTA tables can be produced in different lengths and widths.

Our furniture is made from birch plywood panels. This solid panel material is of a premium quality and a great alternative to chipboard or MDF (fibreboard). It is a long-lasting and is therefore robust enough to withstand the high demands of day-to-day use. Its high solidity ensures that the furniture retains its stability and functionality for years to come.

Produced in Welsberg, South Tyrol.
Concept & Design: Georg Agostini, Lorenz Sternbach
