

MONIKA

Flexible folding table

Versatile and practical: MONIKA is a simple wall-mounted folding table that can be flexibly adapted to all situations. Ideal for smaller or multi-purpose spaces.

MONIKA Flexible folding table

MONIKA can be used as a dining table, desk, side table or bedside table. Even in small spaces, MONIKA offers functionality without compromise. When the table is not in use, it can simply be folded up and stored on the wall.

To produce MONIKA, we use either oiled or colour varnished Birch plywood that have been coated with a melamine resin. The translucent, coloured surface emphasizes the grain of the wood, and is odourless and easy to clean. MONIKA is available in the standard colours listed below.

Produced in Welsberg, South Tyrol.
Concept & Design: Georg Agostini, Lorenz Sternbach

MONIKA Specifications
